

Through the below link or clicking on git image you can check my repositories in github

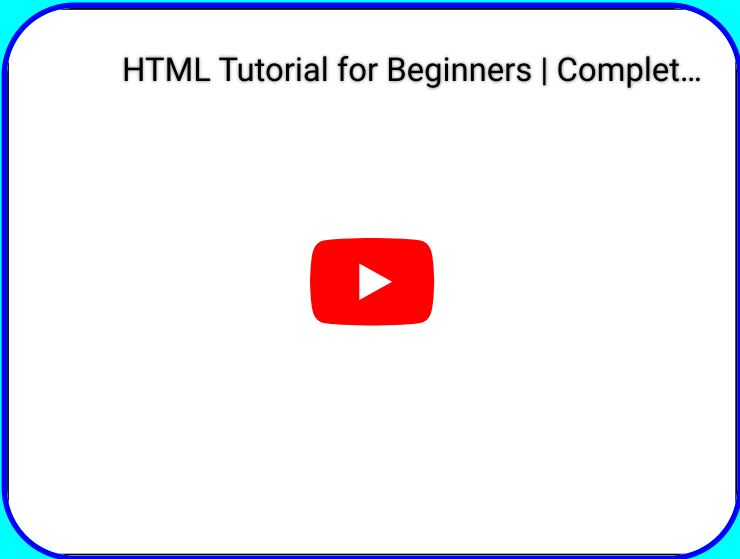

My repositories

These are the topics that I have explored day wise:

- 1. Day 1
 - Html Basics
- 2. Day 2
 - Html Attributes
- 3. Day 3
 - Webpage Layout
 - Using following tags
 - 1. Semantic tags
 - 2. Non-Semantic tags

Through the below video I have explored **HTML Language**

Marks of Students			
Name	Marks	Subjects	
Fahimida	89	Maths	Science
Fahima	99	Maths	Science

Registration Form

Enter Name:

Enter Date of Birth:

dd/mm/yy

Enter Class:

Enter School Name

Select Gender

☐ Female

☐ Male

Select the interested Domain

☐ Software Development

☐ DevOps

☐ MIOps

☐ AIOps

Enter Village:

Enter District:

Choose the State:

Andhra Pradesh
